3. Obligations of ABC

3.1 Scope of Services

3.1.1 GoI proposes to divest/undertake strategic sale of a part of its shareholding in AI/AI group to a prospective strategic partner, and for that purpose has appointed ABC as advisor to advise and assist GoI in selection of the prospective strategic partner, to maximise realisation from the sale of its shareholding.

3.1.2 ABC's scope of services as Advisor to GoI shall include the services as set out below to assist and advise GoI in identifying, negotiating and concluding the strategic sale with the most appropriate partner, keeping in view GoI's strategic objectives and evaluation criteria for the strategic partner. However it is clarified that the decision whether to proceed with and consummate the transaction lies solely with GoI and the work and findings of ABC shall not in any way constitute recommendation as to whether GoI should or should not consummate the transaction ABC's service shall include the following:

Phase I: Transaction strategy

3.1.3 ABC shall, in consultation with GoI evolve a transaction strategy covering modalities, timing of disinvestment of AI/AI group jointly or separately or individually and the timeline for various activities. ABC will assist GoI and will not associate in any manner, directly or indirectly, any other party or the buyer in the present transaction, in analysing possible transaction strategies from the perspective of GoI and the strategic partner. ABC would analyse the positive and negative financial aspect of each of these alternative strategies.

3.1.4 ABC shall advise and assist GoI in identifying and selecting specialized professional intermediaries including but not limited to legal advisors and asset valuers, required for the transaction who will be appointed by GoI and their work will be coordinated by ABC.

Phase II: Partner log

3.1.5 Working closely with GOI, and drawing upon knowledge of ABC or of prospective strategic partners, ABC will develop a list of potential strategic partners with sufficient interest and apparent resources to enter into a transaction with AI/AI group/GoI. In doing so, ABC would:

- Use its international offices and network;
- Use its contacts and industry knowledge; and
- Include any other partners GoI would like to consider.

3.1.6 ABC will obtain and develop information on each of the potential strategic partners identified, so that together ABC and GoI can place in priority those strategic partners, which have the best potential for consummating the transaction with GOI.

Phase III: Information Memorandum

3.1.7 ABC will incorporate the financial data and other relevant information of AI/AI group into a Preliminary Information Memorandum (PIM) and a Confidential Information Memorandum (CIM). The purpose of these Memoranda is to provide prospective strategic partners with information on the business and the unique selling points of AI/AI group so as to enable them to decide whether to provide initial indications of interest and initiate serious discussions.

3.1.8 This Memorandum would contain information relating to the following areas:

- Background of AI/AI group and key features that differentiate it from its competitors;
- Current activities;
- Rationale for divestment and inviting strategic partner(s);
- Product profile;
- Financial performance;
- Management;
- Customers and suppliers;
- Contracts;
- Research and development activities;

The Information Memorandum so prepared will be made available on a confidential basis to potential investors.

Phase IV: Pricing/Valuation Analysis

3.1.10 ABC will assist GoI in performing a pricing/ valuation analysis of the AI/AI group. In performing the valuation analysis ABC proposes to use including but not limited to the 'discounted cash-flow' approach, the 'relative valuation' approach, replacement cost approach and the 'asset based valuation' approach to determine a range of fair values. In performing the analysis will be based on illustrative profit projections and the information provided by AI/AI group to ABC. The projections would show a possible outcome based on the assumptions as per the business plan prepared by the management of AI/AI GROUP ('the Management'). It is clarified ABC must emphasize that the realization of the projections would be dependent on the continuing validity of the assumptions on which they are based. ABC's review therefore shall not, and cannot be directed to providing any assurance about the achievability of the financial projections. Since the projections relate to the future, actual results are likely to be different from the projected results because events and circumstances do not occur as expected, and the differences may be material.

3.1.11 ABC will assist GoI in fixing the reserve price considering the valuation of AI group based on the methods including but not limited to discounted cash flow; relative valuation; and asset-based valuation and highlighting the pros and cons of various methods and also highlighting the fact that many variations of these three valuations exist. While assisting in fixing reserve price, the report of the Asset Valuer(s) will also be considered. The GoI will have the option of getting the valuation done from any other agency.

3.1.12 ABC will present its findings in the form of a Pricing/Valuation Analysis after completing the Information Memorandum and receipt of any additional information of that it may require for this purpose. ABC's findings will be subject to the following conditions and limitations:

- The findings can serve as only one input to the process of negotiating a price, the actual terms will be set through direct negotiations or biddings or auctions;
- The findings are solely for the internal use;
- Events subsequent to the date of ABC's analysis may materially alter the valuation estimate; and
- The findings are based upon the information provided to ABC by AI/AI group/GOI.

Phase V: Approaching the Strategic Investor(s)

3.1.13 ABC will assist in managing a transparent process of bidding/interest solicitation from potential buyers including:

- (a) Preparation and issuance of advertisement/RFP etc. and organizing pre-bid meeting(s) and site visit(s);

- (c) Analysis of and framing/drafting replies to queries of prospective bidders and making necessary modifications, if required in the bid documents;
- (d) Invitation and evaluation of bids from prospective purchasers/ investors and preparation of requisite documents leading to short listing of bidders;

3.1.14 ABC will help in positioning the disinvestment of GoI equity in AI/AI group to generate interest among prospective buyers/purchasers/investors. ABC will initiate contacts with only prospective strategic partners on an agreed list. If the prospective strategic partner indicates a sufficient level of interest in the businesses, and if GOI instructs, ABC will forward the Information Memorandum to them upon receipt of a signed Confidentiality Agreement. ABC will control the release of any further information based on the level of interest evinced by the potential strategic partner and after obtaining GOI's approval. Expression of Interest (EOI) for bidders to be issued by DIPAM.

Phase VI: Facilitating due diligence review

3.1.15 ABC will assist AI/AI group in the smooth conduct of the due diligence process.

In doing so, ABC will work alongside AI/AI group / GoI's legal counsel to incorporate the terms and conditions of the transaction into a shareholders agreement(s) and share purchase agreement(s) and all such legal documentation required for execution of the transaction. On account of the peculiarities and complexities of this transaction, it will be crucial that the ABC and legal firm take full responsibility of documentation and completion of the transaction(s).

3.1.19 ABC will ensure compliance of applicable regulatory requirements including obtaining statutory approvals and clearances, wherever necessary, and coordinating and monitoring the progress of the transaction until its completion and assist in closure of the transaction.

3.1.20 ABC will advise on post-sale matters, if any, for a period of up to 12 months. Documents relating to the transaction be digitised and catalogued and handed over to Ministry of Civil Aviation and DIPAM. Advisor will also assist the departments in analysing these records as and when required.
